Under 'Your child becomes a pupil' you will find everything you need to know for the application.

www.qbgs.de

★ APPLICATION PROCESS - ESSENTIALS IN ADVANCE

 - **We do not decide anything!**
- ❖ Application period: 7 October to 18 October 2024
- ❖ Bring complete set of documents to your catchment area school AND primary wish school (not necessary visiting 2nd and 3rd wish schools)

 - ✓ There you will find all application forms & instructions.
- ❖ Incomplete documents will not be accepted!

CATCHMENT AREA PRIMARY SCHOOL

- 
- ❖ You will receive information via mail about the catchment area primary school before the registration period. Your child is assigned to this school.
 - ❖ Please visit your catchment area primary school during the registration period:
- 

Here, you will...

- ...receive first information about the start of school
 - ...can apply for early or later enrolment of your child for school
 - ...get an appointment for the medical school entrance examination
 - ...need to show certain documents (school application documents, birth certificate of the child, passports of the legal guardians, measles protection)

Normally, we cannot consider second preferences for the SESB classes!

How many points does my child need to score?	Child must achieve at least 80%	Child must achieve at least 80%	One test must score at least 80%.The other test must achieve at least 60%.

- ❖ **IMPORTANT:** Bilingual test not passed (80%/60% target not reached), but at least 80% in one language: → Child is assigned to this mother tongue group.
